
SECTION VII – PERSONAL PROTECTION

Ventilation & Exhaust: General mechanical ventilation.
Eye Protection: Wear chemical splash goggles or safety glasses.
Gloves: Wear neoprene or rubber gloves. Use as necessary to prevent skin contact.
Work/Hygienic Practice: Keep good housekeeping regulations. In case of spill, floor may be slippery.

SECTION VIII – SAFE HANDLING & USE

Storage & Handling: Keep containers in a dry, cool area. Keep away from reach of children. Rotate stock periodically.
Spills or leaks: Dike and contain. Absorb spillage with an absorbent material (sand, litter). Avoid runoff to drains.
Waste Disposal: Dispose materials in accordance with all applicable local, state and federal regulations.

SECTION IX – OTHER INFORMATION

The aforementioned is believed to be correct as of the date hereof; however, no warranty is made, express or implied, regarding the accuracy of this document, since the information contained herein may be applied under conditions beyond our control and under conditions with which we may be unfamiliar. Since data made available subsequent to the date hereof may suggest modification of the information, recipients are advised to determine in advance the suitability of the material for their precise purposes and on the condition that they assume the risk of use thereof.

Notes (Not intended to be all inclusive):

Note 1: While no PEL or TLV established for this chemical, guidelines for potassium hydroxide are recommended during heavy and prolonged use.
