

# MK TILE KLEAN™

## MK TILE KLEAN™

MK Tile Klean™ is a natural, non-wax abrasive compound used for the thorough cleaning and honing of most Ceramic, Porcelain, Quarry Tiles and Grout. MK Tile Klean™ is used to deep clean and hone (smooth) old and/or much worn tiles. It prepares the surface for polishing with MK Tile Gleam™.

### TO APPLY MK TILE KLEAN™ YOU WILL NEED:

1. MK Tile Klean™.
2. Floor Buffer (175-350 RPM). Water tank and splash guard are optional.  
Note: Heavier buffer will give you a quicker and better polish.  
Optimum weight 135 lbs.
3. One natural hair pad, one white buffing pad.
4. Wet vacuum, clean mop, bucket wringer, and floor squeegee.

### DIRECTIONS:

NOTE: If tiles and baseboards should have wax to be removed use MK Strip Klean™ to effectively strip wax or sealer from tile surface prior to use of MK Tile Klean™. For very old or dirty floors, scrub the floor and grout with MK Tile and Grout Klean™ using a scrub brush. (See instructions on product container)

1. Cover the baseboards, carpet, etc. with protective plastic and/or tape.
2. Wet a 25 sq. ft. area of the tile. Sprinkle (5oz. / 25 sq. ft.) of the MK Tile Klean™ on wet area.
3. Buff the MK Tile Klean™ slurry with a natural hair pad for about 10 minutes per 25 sq. ft. area.
4. Squeegee the MK Tile Klean™ slurry to the adjacent area and repeat the process. Use MK Tile Klean™ and water as needed
5. Vacuum dry the MK Tile Klean™ mixture. Wet the honed area again and buff with the same pad without adding more MK Tile Klean™.
6. For very dirty grout joints, scrub the grout and tile with MK Tile & Grout Klean™ solution and a scrub brush to clean the grout and remove the excess residue at the same time.
7. Buff dry with a white pad to remove any leftover residue. If needed, polish the tile with MK Tile Gleam™. (See instructions on product container.)

**CAUTION:** The use of gloves & protective clothing is recommended when using MK Tile & Grout Klean™.

**COVERAGE:** Up to 150 sq ft per Pound

**Marble Kare Products, Inc.** will not be liable for any damage ensuing to property or injury to operator or other person due to the misuse or misapplication of MK Tile Klean™ or any other chemical sold by them. **Store in a dry place.** For further technical specification, see Material Safety Data Sheet.
